

**FIRST CALL FOR
ICAZ 11th Worked Bone Research Group Meeting**

23-28th May 2016, Iași, Romania

”Alexandru Ioan Cuza” University of Iași, Romania, will host the 11th Worked Bone Research Group (WBRG) Meeting of the International Council for Archaeozoology (ICAZ), between Monday 23th May and Saturday 28th May 2016.

The preliminary program includes three days of oral and poster presentations, a first excursion to prehistorical sites situated in North-Eastern Romania, a final excursion of two days to Chisinau, Republic of Moldavia (including visits and workshop).

We plan to publish the Proceedings of the 11th Worked Bone Research Group (WBRG) Meeting of the International Council for Archaeozoology (ICAZ) in a peer-reviewed volume.

The registration form, deadlines and details in program will be available with the second call, in October 2015.

Everyone is interested to attend this meeting, please, send your intent to Luminita Bejenaru (lumib@uaic.ro) before September 1st 2015.
